- *The War Prayer*, by Mark Twain (See above)
- *Why Civil Resistance Works: The Strategic Logic of Nonviolent Resistance*, by Erica Chenoweth and Maria Stephan (2011)
  - The authors demonstrate with statistics that from 1900 to 2006, campaigns of nonviolent resistance were more than twice as effective as their violent counterparts in achieving their stated goals. By attracting impressive support from citizens, whose activism takes the form of protests, boycotts, civil disobedience, and other forms of nonviolent noncooperation, these efforts help separate regimes from their main sources of power and produce remarkable results.
  - Issues: War and Peace, Nonviolent Strategy, History
